

Using Our Services

Medical Centre Transport

To book our medical centre transport, please call the office on 029 20513700. Bookings should be made 24hrs before your appointment time. At the latest by 12.30pm the previous day.

Shopping Minibus

To be added to the passenger list for shopping please call the office. Your name and contact details will be taken and you will be contacted when a space becomes available. Demand is high for our shopping trips but we will do our best to accommodate you.

Other appointments

To book for hospital, dental or other appointments please call the office on 029 20513700 as soon as you have the appointment. Medical centre appts take priority but we will do our best to fit you in. We will confirm 48 hrs before your appointment time.

Dinas Powys Voluntary Concern Community and Health Transport

Medical Centre Transport

DPVC provides lifts every weekday morning to medical centre appointments. The service is door to door and the volunteer driver will wait to bring you home again.

Lifts must be booked by 12.30pm 24hrs in advance. Call 029 20513700.

The car can also be booked for lifts to Barry or Llandough Hospitals or other health appointments such as dentists or hearing aid clinics. (capacity permitting). Transport is only available to those living within Dinas Powys.

Daily pre booked Health Centre transport

Minibus

Our most visible and recognisable service involves our minibus. Regularly seen around the village it is at the core of our transport provision. We also have, in our fleet, a Volkswagen Caddy. Both vehicles are adapted for wheelchair use and the minibus is fitted with a lift for ease of access. They are both driven by volunteer drivers

The minibus is used for a variety of purposes. Regular shopping runs take place on a Monday and a Thursday, visiting Morrisons and Asda on alternate weeks. It's not just about the shopping for our volunteers and shoppers. There's always time for coffee and a chat in the café. There's a passenger assistant on the minibus as well as the driver, to help with loading and unloading shopping. The service is door to door. Places must be booked in advance and our coordinator will call to confirm your place the week before.

Fortnightly assisted shopping with our minibus

Drive for Us

Our vehicles are driven by a dedicated team of volunteers, why not join them? Minibus drivers need to have category D1 on their licences but this is not needed for the health centre transport. For more information call Wendy on 029 20513700
